

ROOM PLANNER

Complete a ROOM PLANNER for each room in your project. There is specific advice in this section for the kitchen and various other rooms to help you plan.

Room	
Primary function	
Secondary functions	
Wall coverings	
Flooring	
Window coverings	
Lighting (Light fitting/ Recessed lighting/ Bulb type)	
Furniture	
Storage	
Light Switches (Location, Quantity, Hardware)	
Electrical Sockets (Location and Quantity)	
TV and Broadband Location Points	

ROOM MEASUREMENTS

Measure all the rooms in your project to have a quick reference guide when researching, shopping and getting estimates.

ROOM	LENGTH	WIDTH	NUMBER OF WINDOWS	NUMBER OF DOORS

TIP
Take photos of
your rooms for
reference
